ACKNOWLEDGEMENT

Presentation, inspiration and motivation have always played a key role in the success of my venture. In the success and final outcome of this project required a lot of guidance and assistance from my people and I am extremely privileged to have got this all along the completion of my project. All that I have done is only due to such supervision and assistance and I would not forget to thank them.

Firstly, I would like to express my sincere gratitude **MR. ASHUTOSH KUMAR CHOBAY**

P.G.T COMPUTER SCIENCE, GAYATRI VIDYAPEETH, SHANTIKUNJ

HARIDWAR, for the inspiring me in choosing the most appropriate and suitable project for me, continuous support of my project related research, for his patience, motivation and immense knowledge. I could not have imagined having a better advisor and mentor for my project.

Besides my advisor, I would like to thank **Mr. S.R. SINHA** principal for arranging the resources in good schedule and assisted me in completing the project.

I am immensely thankful to **MY CLASSMATES** for the stimulating discussion, for the continuous support and help which they provided me to achieve the perfect results in this Investigatory project, and for all the fun we have had in the one year.

Last but not the least, I would like to thank **MY PARENTS** for supporting me spiritually throughout writing this thesis and my life in general and providing me facilities of internet and gadgets so that I can prepare my project in a life way.
